Experience

SEP '11 — DEC '11 Internship at CO:LAB, Hartford

Exploration of grid options for in-house documents and type families for the CO:LAB brand. Designed informational brochure for Billings Forges' restaurant, FireBox. Set up the BoNE Show (Best of New England Design) exhibit and produced signage systems for various AIGA events.

JAN '11 — MAY '11 Central Design University Practicum

Collaborated with team of designers to launch awareness campaigns on important social issues. Developed identities to reinforce branding of organizations. Orchestrated promotions across mail, web and T-shirts. Maintained organized file structures and provided valuable influence in brainstorming meetings.

AUG '10 — SEP '11 Designer for the Student

Activities / Student Leadership Office (CCSU)

Worked independently full-time through winter and summer. Served both students and faculty of the CCSU community, as the campus graphic designer. Facilitated communication between campus organizations and the student body. Managed multiple projects while meeting deadlines with minimal supervision.

JUN '06 — JUL '10 Bertuccis Restaurant, West Hartford

Expedited food from kitchen to table immediately and accurately for over ~2,000 patrons a shift. Delivered orders all around from West Hartford to Downtown Hartford without delay. Served customers with empathy to their satisfaction.

A large, bold, black ink signature of David Zarovny, featuring a large, looping 'D' and a stylized 'Z'.
